

Bridges Society is our largest and most diverse group of leadership donors. By contributing \$1,000 or above annually, you join fellow change-seekers who lead by example and inspire others to support United Way of Southwestern Pennsylvania in creating a thriving region.

Members of this dynamic group come from a variety of backgrounds and careers and offer their generosity, time and talent to create real, lasting change in the lives of local adults, children and families. Bridges Society is the next step in your evolution as a philanthropist. Our more than 2,500 Bridges Society members contribute more than \$4.5 million annually.

Leadership giving has many benefits.

When you give at a Bridges Society level, you will receive:

- Invitations to engagement, volunteer and social events that show your contributions in action.
- Recognition on our website.
- Networking opportunities with business and civic leaders who share your philanthropic spirit.
- A personal United Way representative who can answer your questions throughout the year.
- Opportunity to opt in to Next Gen Ambassadors (young professionals and their allies) and Women United (open to all).
