WHY UNITED WAY?

- Every year, United Way, makes it possible for you and our employees to make a real and lasting change in the lives of local adults, children and families.
- In southwestern Pennsylvania, more families and individuals, no matter how hard they work, are unable to earn enough to afford the basics, which puts financial stability out of reach for too many of our neighbors.
- United Way invests in nonprofit agencies and programs that help people meet basic needs, move to financial stability and build for success in school and life.
- Every day, thousands of individuals reach out for assistance to United Way's PA 211 helpline. This helpline operates 24/7/365 and connects people with vital resources such as food and emergency shelter. When you donate directly to United Way you reinforce this essential lifeline for thousands of families in our region.
- Last year, 1.48 million people received assistance from PA 211 Southwest and through programs and agencies supported by your donations to United Way of Southwestern Pennsylvania.
