PARTNERS	PROJECT	PROJECT DESCRIPTION	COUNTIES
North Hills Affordable Housing (dba HEARTH)	HEARTH Transitional and Supportive Housing Program	HEARTH is the only transitional housing program in Allegheny County devoted to single mothers and their children who have survived domestic violence. HEARTH provides transitional and affordable housing, a food pantry, transportation solutions, mental health services, job training and child care and is committed to addressing multi-generational poverty and poverty, promoting whole-family safety and health.	Allegheny
Northern Area Mutli-Service Center of Allegheny Co.	Transportation HUB Solutions-Linking Transportation Models To Address Service Inadequacy	Northern Area Multi-Service Center of Allegheny County (NAMS) is working to provide enhanced support for older adults living in some degree of isolation. They do this by providing specialized transportation through a fleet of vehicles in collaboration with other NAMS programs.	Allegheny
Pittsburgh Food Policy Council	Network in Action: Implementing a Regional Food Plan	The Pittsburgh Food Policy Council seeks systems-level change through various advocacy campaigns to improve access to healthy food, reliable transportation and community connection through collective impact and power building.	Allegheny
RentHelpPGH	Housing Stabilization Center Resource Navigator and Appeals Specialist	RentHelpPGH Appeals Specialists provide a pathway to keep families securely housed by avoiding displacement, which is the final stage of the eviction process. RentHelpPGH helps families through the eviction-appeals process. Appealing provides additional time to remedy the cause of the eviction or to find new permanent housing.	Allegheny
SisTers PGH	Rent/Utility and Emergency Assistance Program	SisTers PGH works to ensure that Black and Brown transgender and nonbinary clients have safe, stable and secure housing. SisTers PGH provides rapid assistance with rent, utilities and security deposits, locates affordable housing, provides emergency shelter and offers supportive services so that community members remain housed.	Allegheny
South Hills Interfaith Movement	Holistic Household Stability	SHIM helps meet the critical needs of individuals and families in crisis by providing resources through its network of food pantries and a clothing closet as well as utility assistance programs, service coordination and emergency financial assistance.	Allegheny
SPHS Connect Inc.	Welcome Home	SPHS Connect Inc's Welcome Home Shelter is a 30-60-day emergency homeless shelter for single women and families with children.	Westmoreland
The Lighthouse Foundation	The Lighthouse Foundation Food Pantry	The Lighthouse Foundation Food Pantry provides adequate and healthy food, including meat and dairy products, to an increasing number of families twice per month. A "shop through" experience is provided for those in need, empowering them to select the food they wish to receive.	Butler

PARTNERS	PROJECT	PROJECT DESCRIPTION	COUNTIES
The Lighthouse Foundation	Transitional Housing	Transitional Housing is an 18-24-month program focused on teaching individuals and families to become self-sufficient by helping them to obtain the education or job training needed to find employment that yields a livable wage. Residents are supplied with food, shelter, case management and resources such as drug, alcohol, or mental health treatment.	Butler
The Union Mission	Homeless Response System	Homeless Response System at Union Mission provides shelter to individuals experiencing or at risk of homelessness. The program also provides ongoing case management, life skills training, and education/employment assistance.	Westmoreland
Veterans Leadership Program of Western Pennsylvania, Inc.	Project Journey	Project Journey provides emergency housing and financial assistance for security deposits or rental assistance, food, transportation and utilities to reduce the risk of homelessness and empower female veterans to reach self-sufficiency.	Allegheny
Veterans Place of Washington Boulevard	Veterans Resource Center	The Veterans Resource Center provides food, transportation and housing to veterans. The Center also offers support groups to encourage connection, provides education and referrals for substance misuse and offers employment resources to address the root causes of homelessness among veterans.	Allegheny
Vintage	Vintage Center for Active Adults	Vintage serves 300-400 individuals over age 60 each week. Vintage's primary goal is to provide high-quality activities and other supports to help older adults maintain their physical and mental health, and ultimately their quality of life, as they age.	Allegheny
Western Pennsylvania Diaper Bank	Basic Needs Distribution	Western Pennsylvania Diaper Bank works with more than 80 community partners in three counties to provide essential items not covered by government assistance programs, including diapers, period products and incontinence supplies.	Allegheny; Fayette; Westmoreland
Westmoreland County Food Bank	Westmoreland Food Bank Outreach and Expansion Program	Westmoreland Food Bank Outreach and Expansion Program helps the people of Westmoreland County access the critical human necessity of food. The program aims to increase food pantry participation in communities that have low participation but a high number of families who qualify for assistance.	Westmoreland
Women's Center and Shelter of Greater Pittsburgh	Preventing Homelessness through Expanded Housing Advocacy for Victims of Intimate Partner Violence	Women's Center and Shelter's Preventing Homelessness program provides concrete support alongside case management, safety planning and emotional support to survivors of intimate partner violence and their children. This program focuses on those who are not residents of the shelter.	Allegheny

PARTNERS	PROJECT	PROJECT DESCRIPTION	COUNTIES
Women's Center and Shelter of Greater Pittsburgh	Immediate Needs Coordination for Survivors of Intimate Partner Violence	Women's Cener and Shelter's Immediate Needs Coordination program works with survivors or partner violence to assess their housing- and safety-related needs. The program identifies safe and realistic housing options based on the client's situation and connects them to housing supports such as monetary rental assistance and moving expenses.	Allegheny
YWCA Greater Pittsburgh	YWCA Greater Pittsburgh's Emergency Basic Needs Program	YWCA Greater Pittsburgh provides emergency financial assistance to women of color to address food and housing insecurity, financial crisis from utility bills, and destabilization from intimate partner violence by. YWCA works to confront the barriers created by systemic racism and provides families with nutritious food, secure housing and a supportive community while also promoting financial independence and economic stability.	Allegheny

Moving To Financial Stability

United Way Partners Programs & Initiatives

PARTNERS	PROJECT	PROJECT DESCRIPTION	COUNTIES
ACHIEVA	Benefits Counseling	ACHIEVA's Benefits Counseling program is designed to remove a major barrier to employment for people with disabilities: employment income resulting in the loss of vital government benefits essential for their well-being, such as Medicaid. Comprehensive Benefits Counseling assures that individuals will not lose benefits they need to for their quality of life because they are seeking or maintaining employment.	Allegheny
Allegheny Family Network	AFN Adult Education Program	Allegheny Family Network's Adult Education Program (AEP) aims, through instruction and financial and family peer support, to increase household income and decrease reliance on public benefits by helping to eliminate barriers to education and employment.	Allegheny
Auberle	Life Changing Career Pathways	Auberle's Employment Institute and Life Changing Career Pathways program provides training and employment opportunities with pipelines to real positions for all participants. The program helps unemployed and underemployed individuals from across southwestern Pennsylvania break cycles of generational poverty and access an economically secure future.	Allegheny

CONTINUED ON NEXT PAGE >

PARTNERS	PROJECT	PROJECT DESCRIPTION	COUNTIES
Bidwell Training Center	Bidwell Training Center's Career Training Programs	Bidwell Training Center provides career training to a diverse population of adults, including high school graduates entering the workforce, middle-aged candidates looking to start new careers, or newly independent individuals searching for career opportunities. Bidwell offers six career training programs at no cost to eligible Pennsylvania residents most in need of career-training services.	Allegheny
Catapult Greater Pittsburgh	Asset Building Program	Catapult Greater Pittsburgh provides evidence-based and outcome-driven asset building initiatives through homeownership and entrepreneurship programs. Utilizing a trauma-informed approach, Catapult supports participants as they increase income and build assets that will break the cycle of generational poverty. Catapult also addresses inequitable practices that have prevented Black families from achieving financial stability.	Allegheny
Center for Community Resources, Inc.	Volunteer Income Tax Assistance (VITA)	Center for Community Resources Inc.'s Volunteer Tax Assistance program aims to help low- to moderate-income families and individuals file their taxes. The program helps families access the maximum available tax credits offered and connects them to other services such as banking and budgeting assistance.	Butler
Community Kitchen Pittsburgh	Community meals and culinary training for people overcoming adversity	Community Kitchen Pittsburgh is an employment-based social enterprise. Participants are paid while in training. Extended transitional employment is provided to those who need a longer engagement in a supported work environment. Job placement and retention supports, as well as wraparound case management coordination and support, are offered to students.	Allegheny
Dress for Success Pittsburgh	Supporting Mobile Services	Dress for Success removes barriers for women entering or re-entering the workforce by providing work-appropriate clothing. The nonprofit brings services to women in their own neighborhoods via mobile boutiques. Women are also provided with career preparation services to improve job readiness.	Allegheny
FamilyLife Network, Inc. (d/b/a Origins Family & Pregnancy Services)	Understanding Family Finances	Understanding Family Finances teaches basic financial literacy concepts and provides practical tools and resources to help families move toward financial stability.	Westmoreland

CONTINUED ON NEXT PAGE >

PARTNERS	PROJECT	PROJECT DESCRIPTION	COUNTIES
Fayette County Community Action Agency Inc	Financial Opportunity Center	Fayette County Community Action Agency's Financial Opportunity Center is a one-stop-center that helps residents learn financial management skills. The program increases ability and confidence in managing finances and debt, securing assets and obtaining public benefits. Ultimately participants are working to become financially secure.	Fayette
Human Services Center Mon Valley	Human Services Center's Financial Empowerment Community Outreach	Human Services Center Mon Valley conducts financial literacy education workshops for more than 400 individuals annually giving them crucial knowledge to help them move toward financial stability. The Center also provides free tax preparation services to more than 600 low-income individuals each tax season	Allegheny
Jeremiah's Place	Crisis Childcare Program	Jeremiah's Place provides emergency child care to families experiencing crises, including those who need assistance finding and maintaining employment. Lack of child care is a major barrier to employment for many families. In 2022, more than half of child care visits were work-related, including job interviews, schedule changes and non-traditional work hours.	Allegheny
Jewish Family and Community Services	JFCS Career Development Services	Jewish Family and Community Services Career Development Services assists job seekers in our region who are unemployed and underemployed. The program connects individuals to skill-building and career programs to help them move toward jobs with family sustaining wages with an emphasis on equitable access and meeting the needs of underserved populations.	Allegheny
Lifesteps	Transition and Employment Services	Lifesteps' Transition and Employment Services provides people living with physical, intellectual and/or developmental disabilities including autism with education in employment and financial management skills. Through employer partnerships with Butler-area businesses, participants have opportunities in career exploration, assessment and training that can lead to gainful employment. Participants also gain skills in budgeting and banking.	Butler
Life'sWork of Western PA	Employment support services for individuals in recovery from substance use disorders	Life'sWork of Western Pennsylvania's offers employment support services for individuals in recovery from substance use disorders to move toward sustainable employment. The program encourages and promotes healthy lifestyle changes and connects the individual with the resources to succeed.	Fayette; Westmoreland

PARTNERS	PROJECT	PROJECT DESCRIPTION	COUNTIES
Literacy Pittsburgh	Ready and Relevant Student Services	Literacy Pittsburgh's Ready and Relevant student services program connects adult learners particularly recent immigrants and Black and Brown learners from the United States to resources and supports that reduce barriers to education and job training. The program, which is imbedded in adult education, focuses on skill development and career building.	Allegheny
Mon Valley Initiative	MVI Workforce Development & Financial Coaching Program	Mon Valley Initiative (MVI) supports people as they move toward financial stability. Through its Workforce Development & Financial Coaching Program MVI provides participants with a path to improved career-development and personal financial management skills. Services are provided through direct individualized coaching and in small groups. A vital component of this work is direct connection to employers.	Allegheny
Neighborhood Allies	Building Opportunity through Financial Empowerment	Neighborhood Allies Financial Empowerment work addresses racial, gender, ability and geographic inequities in income, wealth and opportunity. The nonprofit convenes a variety of community practitioners to share knowledge and resources, who in turn share the needs and priorities of the people served. These initiatives position families to access the resources and support they need to achieve long-term, sustained financial well-being and build generational wealth.	Allegheny
New Century Careers, Inc.	Training for In-Demand Jobs through the MANUFACTURING 2000 (M2K) PA Pre-Apprenticeship Program	New Century Careers provides up to 600 hours of entry-level machinist training in the classroom, online and hands-on. It also offers lifetime placement assistance, free of charge, to qualified job seekers 18 and older. The M2K program provides machinist training and job placement for approximately 40 to 50 unemployed and underemployed high school graduates and GED completers each year, leading to entry-level jobs at the start of family-sustaining career pathways.	Allegheny; Westmoreland
PA Women Work	Economic Mobility Through Mentorship	PA Women Work's mentorship program helps women find employment, earn a living wage and achieve financial stability. Participants gain access to social capital, career coaching, industry insights and professional skills. These tools prepare clients for employment and career growth to build a more stable and prosperous future.	Allegheny

Latino Community Center (LCC)	Empowering Allegheny County Latinx Children and Parents for Long-Term Success	Latino Community Center provides Allegheny County's growing Latino community with free, high-quality, culturally oriented programming. The Center creates opportunities for young learners to receive social, emotional and age-appropriate skills to succeed in a school environment. While the organization's work supports young people from birth to age 24 and families, the Empowering Allegheny County LatinX Children and Parents for Long-Term Success program invests heavily in children ages 2 to 4, a key stage of their development.	Allegheny
Lifesteps	Early Education Advancement Services	Early Education Advancement Services at Lifesteps brings together developmental screenings, child care and child-serving organizations to ensure integrated access to high-quality education and intervention that helps each child on their journey to reaching their potential.	Armstrong; Butler
Life'sWork of Western PA	Enable Youth with Disabilities Make a Successful Transition from School to the World of Work	Life'sWork of Western Pennsylvania helps youth with disabilities transition from a supported senior high school environment to the workforce. The program allows youth to explore all opportunities available to them, helping youth reach their full potential and providing all individuals with equal access to meaningful work and job skills training.	Allegheny
Mooncrest Neighborhood Programs / Hopebound Ministries	Mooncrest After School Program (MASP)	Mooncrest Neighborhood Programs in partnership with Hopebound Ministries and Robert Morris University (RMU) offer a preschool playgroup that helps kindergarten students start school with confidence. RMU students help by mentoring at Mooncrest's After-School Program. Children must attend school to be eligible for the afterschool program. Rewards are given for completing homework. Special celebrations and activities result in steady attendance.	Allegheny
Mosaic Community Development Center	Mosaic Community Development Center After School Program	Mosaic Community Development Center's After-School Program is an out-of-school time program that helps students overcome barriers that might otherwise prevent students from reaching their full educational and career potential. Programming focuses on social and emotional learning to help students explore their feelings and build relationships with classmates.	Westmoreland
Neighborhood Learning Alliance	High School University (HSU)	At Neighborhood Learning Alliance the High School University model seeks to remove barriers of cost, disability support, emergency resources and tutoring access that many students of color and low-income students face while pursuing higher education. By doing so, students increase their college readiness and become more competitive applicants. The program serves as a steppingstone to best prepare students to pursue their career and academic goals through job experience, college credits and by developing resilience.	Allegheny

PEAL Center Parent Education and Advocacy Leadership	21 and Able	PEAL Center's 21 and Able Project, powered by United Way, helps young adults with disabilities transition smoothly from the last day of high school to the first day of adult life by increasing opportunities for further education, employment, housing opportunities and other supports that increase community inclusion.	Allegheny
Sonward Youth Programs	Elevate - Opportunity Lunch and Learn Mentor Program	Sonward Youth Program's Elevate - Opportunity Lunch and Learn Mentor Program is a lunch program that provides one-on-one or two-mentorship. Each group eats lunch together and engages with a conversation guide that promotes social-emotional learning and deepens relationships. Following lunch, Sonward staff facilitate a STEM learning project for each adult/youth group to accomplish together.	Westmoreland
STAT Inc. - Ligonier Therapeutic Center	The EQUINE Affect™ for Adolescents (Afterschool/Summer Programs) - Fayette, and Westmoreland	The EQUINE Affect™ for Adolescents is an afterschool and summer program for middle- and high-school- aged youths from at risk backgrounds. and provides enrichment in a new environment along with trauma-informed care.	Fayette; Westmoreland
STEM Coding Lab, Inc.	K-8 Computer Science Education Program Expansion	STEM Coding Lab, Inc. provides youth from under-resourced and marginalized communities across the region with free programming designed to equip students with 21st Century digital skills. More than 85% of the students qualify for Title I support, and most would not otherwise have access to computer science instruction.	Allegheny
The Arc of Butler County	AERO (Activities, Employment, and Recreational Opportunities)	AERO (Activities, Employment, and Recreational Opportunities) helps students access additional support systems, career-readiness and basic life skills outside of what is provided in schools for students with disabilities. Working alongside school districts, the program provides experiences for students who may not get the chance to participate in other programs.	Butler
The Learning Lamp	Expansion of Early Childhood Mental Health Consultant Program in Southwestern PA	The Learning Lamp's Expansion of Early Childhood Mental Health Consultant Program in Southwestern aims to improve behavior and provide parents and staff with additional skills and strategies to reduce or prevent problem behaviors from occurring in the first place.	Fayette
The Women and Girls Foundation	Girl Gov: Middle School	GirlGov is a teen civic engagement and social justice advocacy program for high school-aged girls, femmes and gender-expansive youth who are interested in developing as change-makers and leaders. Participants have opportunities to learn from community leaders and elected officials while meeting other teens who are passionate about civics, politics and social justice.	Allegheny

Valley Points Family YMCA	Valley Points Family YMCA Early Learning Centers	Valley Points Family YMCA Early Learning Centers prepare children to transition into the school systems, so they can learn, grow and thrive now and into their futures	Westmoreland
Vision To Learn	Expanding Vision Care Access for Students in Southwestern Pennsylvania	Expanding Vision Care Access for Students in Southwestern Pennsylvania coordinates screenings for children and supplies those in need with eye exams and glasses free of charge. The mobile vision care model eliminates transportation barriers for parents, decreases the stigma of wearing glasses and, through partnerships with schools, encourages the ongoing use of glasses.	Butler; Westmoreland
Volunteers of America of Pennsylvania	The Youth Empowerment Program (YEP)	Volunteers of America Pennsylvania works to eliminate structural inequities that form barriers to success for low-income children and youth. The Youth Empowerment Program addresses these barriers by offering free and accessible out-of-school time programming that includes academic and social/emotional support, civic engagement activities, workforce readiness opportunities, parent engagement and daily meals.	Allegheny
Waypoint Youth & Community Center Inc.	Waypoint Youth Out Of School Time Program	Waypoint Youth's Out Of School Time Program provides children with supplemental support, guidance and enriching activities.	Westmoreland
Wesley Family Services	The Incredible Years Parenting Program	The Incredible Years Program is a parenting education program that can help parents and caregivers prepare children to enter grade school. School readiness means children are able to communicate their needs, wants and thoughts verbally, follow directions, have sensitivity to other's feelings and refrain from disruptive behavior.	Allegheny
WQED	Teaching Preschool Children SEL Skills via Family Engagement Programs	WQED's Teaching Preschool Children SEL Skills via Family Engagement Programs teaches and engages caregivers and child care educators to strengthen the home-to-school connection to address social and emotional well-being, kindergarten readiness and career readiness for children and youth in low-income families.	Butler; Westmoreland
YWCA Greater Pittsburgh	YWCA Greater Pittsburgh's Educational Opportunity Programs	YWCA Greater Pittsburgh's Educational Opportunity Programs address the opportunity gap faced by students of color by making programs accessible and preparing students for post-secondary opportunities. YWCA works in and with school districts and community partner programs to provide direct programming or a train-the-trainer model.	Allegheny
