

UNITED IS THE WAY

To make an extraordinary impact in our community

INVESTING IN OUR COMMUNITY.

At United Way, we bring together people and organizations as a collective force to improve short- and long-term outcomes in southwestern Pennsylvania.

- We are a lifeline for people who need assistance.
- We invest in nonprofit agencies, creating effective and innovative solutions to address short- and long-term challenges facing our neighbors.
- We are a hub of volunteering and engagement.

Please join us in creating a brighter future for all.

MAKING SURE EVERYONE HAS ENOUGH.

PA 211 Southwest is United Way's front door to our community. Every day, our PA 211 resource navigators answer the call from hundreds of people who are in crisis and are looking for help. PA 211 is a confidential, free service and available 24/7/365 via phone, text or online.

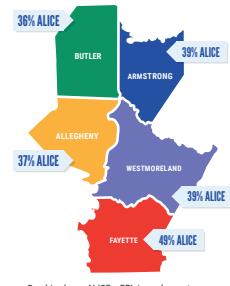

In our region, 38% of households do not earn enough for essentials. These are individuals who work hard at important jobs such as child care, home health and retail, yet cannot cover basic living expenses.

Annual cost of living
In Pennsylvania, ALICE is \$29,964 for individuals and \$83,544 for a family of four.

The Federal Poverty Level (FPL) is \$15,650 for individuals and \$32,150 for family of four with two children requiring child care. Many who earn above the FPL are not eligible for government assistance.

TOP NEEDS

The bottom line:

Nearly 332,000 households in our region are unable to afford housing, child care, food, transportation, health care and basic technology.

THE THREE Cs.

United Way's relationships and experience uniquely position us to effect real and lasting change. We do this in three ways, which we consider our superpowers:

Connector, bringing people together to volunteer, engage, donate and contribute their knowledge and life experience.

Convenor, gathering community experts and affected populations to think through issues, plan, innovate and act together.

Catalyst, encouraging community-wide investment in effective solutions with the greatest potential to help people thrive.

MAKE AN IMPACT WITH UNITED WAY.

When you give to United Way, you help families and individuals with:

MEETING

basic needs such as food and shelter

MOVING

to financial stability

BUILDING

for success in school and life

The most effective way to give is without restrictions on which agencies or causes your donation benefits. Your giving also supports United Way's PA 211 Southwest, our 24/7 helpline. Last year, we fielded nearly 610,000 requests for assistance.

Contact Executive Vice President Linda Jones at linda.jones@unitedwayswpa.org or [412-456-6768](tel:412-456-6768).

LAST YEAR, UNITED WAY INVESTED MORE THAN \$38.4 MILLION.

These resources are invested in a variety of ways, including our rigorous request-for-proposal process. Funding submissions are reviewed by volunteer leadership to ensure maximum impact.

Thanks to the community's support of United Way, nearly 1.48 million people have accessed life-changing services in fiscal year 2024-25.
