

# Give Big United Way - 100th Anniversary

## Join Me June 17-30

For nearly 100 years, United Way of Southwestern Pennsylvania has responded to the most urgent needs in our community.

Today, United Way connects more than 1.48 million people each year to essential services and long-term supports. Through PA 211, our 24/7 helpline, neighbors can access food, housing, utilities, and other critical resources. United Way also invests in efforts that help children succeed in school and individuals build pathways to financial stability.

On **June 17 - 30, 2026**, I'm proud to support **Give Big United Way**, a one-day online giving event celebrating 100 years of impact – and investing in the future of our region.

Please join my giving team. Your gift helps ensure that when our neighbors need support – today or tomorrow – United Way will continue to be there.

**I'm Giving Big. Will You Join Me?**

Scan the QR code below to make your gift June 17 - 30, 2026.

Gifts from Give Big United Way support United Way's Fund for Transformation and Resilience, a permanent endowed fund that strengthens programs and services across our region for years to come.
