## GIVE TO UNITED WAY

United Way helps people committed to our region work together to create lasting change. Because of you, we provided assistance to more than one million individuals, families and children last year. Your contributions provide the most impact possible in three critical areas:

### Meeting Basic Needs

Basic needs—such as food and safe affordable housing — are the foundation of well-being.

### Moving To Financial Stability

A living wage and the tools to build wealth, help people fulfill their potential and move to financial freedom.

### Building for Success in School and Life

All young people deserve to have a positive start toward adulthood, to learn and succeed and to reach their full potential.

## SUPPORT OUR 100TH ANNIVERSARY

Please make a gift to our Fund for Transformation and Resilience. While your annual support changes lives today, an additional gift to the 100th Anniversary Campaign will expand our impact every year, position us to respond to unforeseen crises and emerging needs, and ensure that help, stability and opportunity endure for generations to come.

## BECOME A LEADERSHIP DONOR
