

Bridges Society members are our most diverse group of leadership donors. By contributing \$1,000 or above annually, you join fellow change-seekers who lead by example and inspire others to support United Way of Southwestern Pennsylvania in creating a thriving region.

Members of this dynamic group represent a wide range of backgrounds and professions, united by a passion for strengthening our community. In addition to their philanthropic support, members may choose to engage more deeply through volunteerism, leadership, advocacy, and the sharing of their unique talents and expertise.

Leadership giving has many benefits.

When you give at a Bridges Society level, you will receive:

- Invitations to engagement, volunteer and social events that show your contributions in action.
- Recognition on our website.
- Networking opportunities with business and civic leaders who share your philanthropic spirit.
- A personal United Way representative who can answer your questions throughout the year.
- Opportunity to opt in to Next Gen Ambassadors (young professionals and their allies) and Women United (open to all).
